

COMMUNITY ADVISORY COMMITTEE (CAC)

Shasta County Special Education Local Plan Area
(SELPA)

2024-25 School Year

Greetings Fellow Parents!

We would like to take this opportunity to invite you to join the Shasta County Community Advisory Committee (CAC). We are an active committee that meets throughout the school year. The CAC serves in an advisory capacity to the Special Education Local Plan Area (SELPA) and the Governing Board to support students with special needs. The CAC is made up of parents, district personnel, and other persons concerned with the needs of students who receive special education services.

The CAC provides opportunities for parents to meet and get to know other parents and receive valuable encouragement and support.

The CAC has an important role to fulfill, and it takes an active group to make a difference.

- We host regular workshops on important special education topics to inform and empower;
- We meet regularly during the school year for parents, students, teachers, and community to voice input regarding special education programs and services;
- We support activities on behalf of individuals with special needs and their families;
- We collaborate and share valuable information and resources;
- We advise and approve the Local Plan for the SELPA;
- And more!

You are not alone! Your ideas are valuable to our success - we welcome you to join us!

Warm Regards,

The Community Advisory Committee
