In these stellar classes, you will discover:

- The importance of staying calm
- The power of consistency and using consistent practices
- How to establish and teach sustainable routines that support your class rules
- How to establish techniques that reinforce the behaviors you want to see.
- How to build emotional currency with students to support a positive classroom culture

There will be a follow-up that will be scheduled with attendees, at a time that works for them. This follow-up will complete the classroom culture training. Those who attend the portion at Lift Off and the follow-up will be certified in Classroom Culture and receive a certificate.
