

Take Evasive Maneuvers

CPI Training

Aug. 5 - Initial Certification **OR** Aug. 8 - Re-Certification

Presented by: James Glover

This course focuses on recognizing early warning signs of crisis, effective communication strategies, and non-violent intervention methods.

Participants learn how to safely handle aggressive behavior, reduce stress, and maintain a calm environment, all while prioritizing the safety of both individuals and staff.

Nonviolent Crisis Intervention (NCI) Training prepares staff to prevent and de-escalate medium to high-risk behavior using both restrictive and non-restrictive methods

Learn the skills to safely disengage and intervene in crisis situations through:

- Common de-escalation communication framework
- Proactive verbal de-escalation strategies
- Safety intervention and disengagement skills

Material Cost: \$35

Additional time will be required for the video component. This can be scheduled a later time convenient to participants.
